**RE: The Paul Revere Life Insurance Company v. John Doe a/k/a
Rodolfo Chardon
Civil Action No.: 07 civ 3779
Our File No.: 16931 J0152**

Dear Judge Castel:

This office represents the interests of plaintiff, The Paul Revere Life Insurance Company, in the above referenced matter. Pursuant to the request of your Chambers, herewith a brief status on the matter.

We have effectuated service of the Summons and Complaint upon the defendant, John Doe a/k/a Rudolfo Chardon, pursuant to Section 4 of CPLR 308. The Affidavit of Service has been filed and we are submitting an Application to the Clerk for a Default Judgment.

As the Court is aware, this office previously filed a Motion Seeking to Serve the Plaintiff By Way of Publication and that Motion was granted by Your Honor. However, Your Honor requested that a revised Order and accompanying Affidavit be submitted to the Court detailing the publications to be relied upon and why they would be best suited for service by publication with respect to the subject matter. Based on the fact that we were able to effectuate service under CPLR 308 and are moving for Default based on the defendant's failure to respond, we have not submitted any revised Order at this juncture with respect to the issue of service by publication.

In the event that Your Honor requires that revised Order to be submitted or in the event that the Application for a Default Judgment is, for some reason, denied, we will immediately provide a revised Order and accompanying Affidavit to Your Honor.
